Dear Isaac:

I very much enjoyed our luncheon conversation the other day and was delighted that you could visit the University. I was also glad to hear that you and Janet might be able to join us on June 3 for our evening dinner program and on June 10 for the meeting of the Rockefeller University Council.

Our June 3 evening begins at 6:00 p.m. with a brief reception in Abby Aldrich Rockefeller Hall and concludes at 9:30 p.m. Following dinner one of my senior colleagues will join me in discussing highlights of the University's research accomplishments. We can promise you an interesting and stimulating occasion with ample opportunity in an informal setting for discussion and questions.

I have also enclosed a preliminary agenda for the meeting of the Rockefeller University Council on June 10. We would be delighted to have both of you join us on this occasion also.

I thought you would enjoy reading the issues of Research Profiles that discuss work underway in a number of our laboratory groups. I have also added you to our mailing list to receive our publications and The Rockefeller University weekly calendar as well. I hope that it will be convenient for you and Janet to join us on these occasions and I look forward to welcoming you back to the campus.

Sincerely,

Joshua Lederberg
